HOW TO USE THE FARE CALCULATOR

1. From the zone descriptions, work out the zone number you will board the bus. 2. Then work out the zone number you will alight from the bus. 3. Calculate how many zones you will travel including the boarding zone and destination zone. eg. I board in zone 3 and reach my destination in zone 8. I have travelled through 6 zones. 4. Read across the zone chart to number 6 and underneath is the fare.
